At TEMAHOME, we are **Creating vibrations** through **timeless design since 1961**.

**French and Portuguese art-de-vivre** combine to set the cultural backdrop for our **distinctively cosmopolitan** outlook on **interior design**.

Our award-winning designers passionately thrive towards **awakening vibrations** in your home, through **uniquely elegant furniture**.

**Tastefully audacious design details**, elegantly weave into high quality ethically-sourced materials to create **universally appealing furniture** which feels **uniquely yours**.

A TEMAHOME piece **adds a subtle flavor** to any room.

Our furniture is **ethically designed** and produced in Europe to be shipped internationally in flat-pack kits, allowing our pieces to travel in a more eco-friendly manner, and to be built and rebuilt to suit a **modern lifestyle**.

Our entirely **in-house process** enables us to have **complete control over the** quality and environmental impact of our products. We pride ourselves in being **true to our values**.

**Utility tactfully crafted** into furniture that feels **seductively singular**, combines all senses to awaken an **intangible vibration in your home**.

"Neither of the two people in the room paid any attention to the way I came in, although one of them was dead."

Los Angeles PI Philip Marlowe is visiting for the Sternwood family. Old man Sternwood, crippled and wheelchair-bound, is being given the squeeze by a biggame hunter and he wants Marlowe to make the problem go away. But with Sternwood's two wild, devil-may-care daughters prowling L.A.'s seamy backstreets, Marlowe's got his work cut out - and that's before he stumbles over the first corpse.

"One of the greatest hard-boiled writers, who set the standards where all the others should follow."  
"Chandler is an original style, what of a character as powerful as Sherlock Holmes, Arthur Conan Doyle."
